

Silver Creek High School: How to Stay Informed

Here are some great and easy ways to keep informed about what is happening at Silver Creek High School!

SCHS Website:

<http://silvercreekhs.ca.campusgrid.net/home/front.html>

On the first page of the website you will find several downloadable files, including our Silver Creek High School Information Document. This is a great resource relating to the school's programs and activities. You can also click on the **PTSA link** from that page of the school website and get more info relating to PTSA and SCHS, including a Frequently Asked Questions document (very helpful for incoming freshman families!) and the current PTSA membership form. From the website, you can also download past issues of our student-written Raider Review newspaper! In these you will be able to see some of the great activities, successes and passions of our awesome students! There is also a contacts page available on the website.

PTSA Yahoo Group:

Stay in touch with Silver Creek's PTSA by joining our Yahoo! Group: SilverCreekPTSA. You can join the Yahoo group even if you aren't a current PTSA member or SCHS parent! Better yet, join our PTSA and really get to know the school, administration and other involved parents!

PTSA on Facebook:

Silver Creek High School is now on Facebook and needs more friends. Please take a moment to "like" our page. It is a great way to stay informed with what's going on at Silver Creek High School. If the link doesn't work please search using "Silver Creek PTSA." Thank you!

EMAIL the PTSA with your questions:

The PTSA maintains an email address that is checked daily. We can help get your questions routed to an appropriate resource! The email address is SilverCreekPTSA@sbcglobal.net .
